

# **Isle of Man Government Tender Activity 2020/2021**

---

The Isle of Man Government Procurement Policy requires that Departments, Statutory Boards, Offices and other entities publish all contract opportunities with an anticipated value in excess of the tender threshold of £100,000.

## **Covid-19 Coronavirus**

As a result of the Covid-19 Coronavirus pandemic, the publication of Tender Activity has been temporarily suspended.

All Departments, Statutory Boards, Offices and other entities are currently reviewing their procurement and project schedules with an aim to prioritise feasibility for current year market delivery.

The revised Tender Activity will be published as soon as they are available.
