Dear Mrs Brown,

I am writing on behalf of my Great Uncle, Gordon Wilkin who is the owner of Keeill House in the Strang area.

We express an interest in the possible development of the land into residential dwellings as we believe it fits the strategic plan for the area very well notably; "group of houses in the countryside". Please see GIS map below with * marked as most likely candidate areas. I am happy to provide more detailed plans should the opportunity to submit become available to us.

Given, we have missed the official period to submit representations/suggest sites, as such I would like to request that we be put on the correspondence list for the Area Plan for the East.

Best Regards

Andrew Patrick
