

A Special Place to Live and Work

**Isle of Man
Government**
Reillys Ellan Vannin

We are investing in the Isle of Man's future

with confidence to strengthen our reputation as a special place to live and work.

£428 MILLION

Earmarked over the next five years for national infrastructure projects

ECONOMY

Multi-million pound injection into the Isle of Man economy, in particular the construction industry

EDUCATION

Investing £10million in education, sport, and culture, including new school facilities

REGENERATION

£25 million regeneration of Douglas Promenade, the gateway to the Isle of Man

SEA SERVICES

£30 million to strengthen our strategic sea services and links to the UK's Northern Powerhouse

WELLBEING

Supporting the health and wellbeing of our nation by improving sports and leisure facilities

ENVIRONMENT

Enhancing our environment to reflect the Island's status as a UNESCO Biosphere Reserve
