From 17 December we will be replacing some of our journeys in the North of the Island (Service 17, 18, 20) with demand responsive transport where you book to travel.

This will improve transport links where existing services are infrequent and journey times can be long.

Please see below for full details.

The Smart New Way to Travel in the North of the Island

From 17 December we will be replacing some of our journeys (Services 16, 17, 18, 20) in the North of the Island with demand responsive transport where you book to travel. This will improve transport links where existing services are infrequent and journey times can be long. ConnectVILLAGES will collect you from your front door in one of our luxurious Mercedes Benz minibuses, and drop you where you need to go. Along the journey we will collect other passengers who are also heading in the same direction. Routes and times will vary from day to day depending on requests, so let us know where you want to go and when and we'll do the rest!

Where Can I Go?

ConnectVILLAGES operates between Andreas, Bride, Ramsey and Maughold. You can travel anywhere within this area, or to a boundary where you can connect with a standard service bus.

The 19 service has changed slightly but operates between Ramsey and Jurby, please see pages 54 & 55 for the new timetables.

How Much Will It Cost?

Standard bus fares apply and we can accept contactless or cash.

Valid Go cards accepted.

When Can I Travel?

ConnectVILLAGES operates Monday to Saturday, 0900-1900.

On busy days your first choice of travel time might not be available, but we'll give you some options that fit in with other journeys.

On Sundays regular service buses operate, see page 55 for the timetable.
