

**AGREEMENT BETWEEN THE GOVERNMENT OF THE ISLE OF MAN AND THE GOVERNMENT OF THE
REPUBLIC OF SINGAPORE FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF
FISCAL EVASION WITH RESPECT TO TAXES ON INCOME**

This document presents the synthesised text for the application of the Agreement between the Government of the Isle of Man and the Government of the Republic of Singapore with respect to the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on signed on 21 September 2012 (the “Agreement”), as modified by the *Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting* signed by the Government of the Isle of Man and the Government of the Republic of Singapore on 7 June 2017 (the “MLI”).

The document was prepared on the basis of the MLI position of the Isle of Man submitted to the Depository upon ratification on 25 October 2017 and of the MLI position of the Republic of Singapore submitted to the Depository upon ratification on 21 December 2018. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

METHODS FOR ELIMINATION OF DOUBLE TAXATION

1. In Singapore, double taxation shall be avoided as follows:

Where a resident of Singapore derives income from the Isle of Man which, in accordance with the provisions of this Agreement, may be taxed in the Isle of Man, Singapore shall, subject to its laws regarding the allowance as a credit against Singapore tax of tax payable in any country other than Singapore, allow the Manx tax paid, whether directly or by deduction, as a credit against the Singapore tax payable on the income of that resident. Where such income is a dividend paid by a company which is a resident of the Isle of Man to a resident of Singapore which is a company owning directly or indirectly not less than 10 per cent of the share capital of the first-mentioned company, the credit shall take into account the Manx tax paid by that company on the portion of its profits out of which the dividend is paid.

2. In the Isle of Man, double taxation shall be avoided as follows:
 - (a) When imposing tax on its residents the Isle of Man may include in the basis upon which such taxes are imposed the items of income, which, according to the provisions of this Agreement, may be taxed in Singapore.
 - (b) Where a resident of the Isle of Man derives income which, in accordance with the provisions of this Agreement, may be taxed in Singapore, the Isle of Man shall allow as a deduction from the tax on the income of that resident, an amount equal to the income tax paid in Singapore. Such deduction shall not, however, exceed that part of the income tax, as computed before the deduction is given, which is attributable to the income which may be taxed in Singapore.
 - (c) Where in accordance with any provision of this Agreement income derived by a resident of the Isle of Man is exempt from tax in the Isle of Man, the Isle of Man may nevertheless in calculating the amount of tax on the remaining income of such resident, take into account the exempted income..
