

## **Prior Information Notice: Social Security Customer Web Portal**

Government Technology Services (GTS), Cabinet Office, Isle of Man Government, on behalf of the Social Security Division of The Treasury are wishing to explore the market and identify interest and indicative costs for a web portal solution to be available to all Isle of Man citizens, employers and Social Security Division employees.

As part of the Isle of Man Digital Strategy and the use of technology to facilitate a self-serve, Social Security suite that will enable a comprehensive interface with citizens and organisations there is a desire to explore the options around a Social Security web portal.

GTS, on behalf of the Social Security Division would welcome submissions from experienced industry providers, proposing either a COTS or a more bespoke, iterative, developed product. Further details are available once you have expressed an interest.
