Holder Name

Holding

Address

IMPORTANT

This document is only applicable for a calf under the age of 28 days if it does not already have a cattle passport (PPB). This document is only valid for one set of movements between holdings: may include via a market. The keeper must ensure the Temporary Calf Passport is completed and sent to the CPC before the calf is 28 days of age. This document must accompany the animal when it is moved.

Notification of Death

To be completed by the Keeper if the animal dies on the farm:

Date of Death

D	D	M	M	Y	Y
---	---	---	---	---	---

Holding where animal died

U	K	0	1	0			
---	---	---	---	---	--	--	--

Please tick one of the following:

Carcass gone to knacker

OR carcass gone to meat plant

OR other

Signature of Keeper

Completing this form:

- This form should only be used for an animal for which there is no full passport that is required to be moved from the holding of birth before 28 days of age.
- For a list of Official Breed Abbreviations please refer to your current birth registration form (BR1).
- All dates should be in the format day day month month year year
- The identity of the Genetic Dam (Embryo Donor) must only be filled if it differs from the Birth Dam.
- The identity of the Sire must be given if known. This must be the official ear tag number or the registered pedigree name for A.I. bulls where the tag number is not known.
- Incomplete or illegible forms will be returned for correction.

OR

To be completed by the Plant Operator if the animal is sent for slaughter:

Date Slaughtered

D	D	M	M	Y	Y
---	---	---	---	---	---

Official Stamp

Signature of Plant Operator

Death of the animal:

If the Animal dies on the farm:

- The notification of death must be completed by the keeper.
- If the animal is sent to the knacker or meat plant this Passport must accompany it.

If the Animal is going for slaughter the notification of death must be completed by the Plant Operator

General Information.

It is the responsibility of the seller and buyer to ensure that the Animal's passport number and the Animal's ear tag number are the same. Please do not use this form if the animal has already been registered online.

Name of Keeper _____ Signature of Keeper _____

It is an offence to falsify this document in any way.

Please note:

This form is only for use for a calf that:

- has not already had a cattle passport (PPB) issued for it.
 - AND it is under 28 days of age.
-

- This temporary calf passport is only valid if fully completed.
- Upon expiry of this temporary calf passport, or earlier, this duly completed form must be immediately sent to the DEFA Cattle Passport Centre by the keeper.
- Sending in the completed temporary calf passport will allow registration of the birth and act as an application for a cattle passport (PPB).
- **The keeper shall ensure that the Temporary Calf Passport is sent to the Cattle Passport Centre before the calf is 28 days of age.**

The cattle passport will be sent to the usual correspondence address of the holder of the last destination named above. If you require it to be sent to a different address please enter name and correspondence address here:-
