Health and Care Transformation Services

The Isle of Man Government invites expressions of interest from qualified and experienced suppliers to support the delivery of the Health and Care Transformation Programme in the form of specialist and generalist consultancy to the Cabinet Office.

The Health and Care Transformation Programme ("the Programme"), located in the Cabinet Office, has been established and currently consists of 12 projects in order to meet the full range of the recommendations made in the Independent Review of the Health and Care System by Sir Jonathan Michael in his Final Report published in May 2019. A great deal of progress has been made to date in delivering these projects.

The primary objective of this work is to support the delivery of a number of projects within the Programme, and to embed the new structure of the health and care system of the Isle of Man continuing the work towards achieving the longer term goals of the Programme.

In order to participate in this competitive exercise, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please visit <https://in-tendhost.co.uk/iomg.aspx/Home> and select 'Register' from the menu on the right side of the Home Page.
