May we publish your response?

Yes, you may publish my response anonymously

2. Agent details (if applicable)

Name

Name:

Organisation

Organisation:

Address

Address (including postcode):

Contact telephone number

Telephone number:

Email address

Email:

3. Designation

I am...

Landowner

Other (please state in the comments box):

4. Site Information - Basic

Full site address

Site address:

Ballaharra

St.Johns
German
IM4 3RB

Location plan:

Ballaharra17022020_0001.jpg was uploaded

Site plan:

Ballaharra A3.pdf was uploaded

Parish or Local Authority the site falls within

Parish or Local Authority (state all if site crosses multiple):

German

Site area

Site area (hectares):

30

If known please provide an Ordinance Survey based grid reference for the centre of the site.

X-Ref (easting):

266

Y-Ref (northing):

824

Land Use Designation (if known)

As shown in relevant Local or 1982 Development Plan.:

Surface mineral working. Agriculture

Current Land Use

e.g. agriculture, employment, unused/vacant etc.:

surface mineral working and associated development. Building materials production and manufacture. Waste disposalAgriculture

5. Site Information - Detailed

Type of site

e.g. greenfield, brownfield (previously developed):

Ecological features and areas of biological importance

Ecological features :

None known

Buildings on site

Buildings on site:

Office and buildings associated with building materials production and waste disposal

Welfare.

Farm buildings

Availability of access to the site

Availability of access to the site:

During normal working hours

Title Encumbrances

(caveats, estates, etc):

none

Relevant Planning History (if known – please include relevant planning application numbers)

Relevant Planning History :

01/00951/B and 01/01817/B Erection of office and new vehicular access. Approved

14/01399/B renewable microgeneration facility for recycling decomposable waste using AD. Approved

96/0745 change of use of agricultural fields to sand quarry, excavation below the water table and reinstatement by filling with inert material. Approved
IDO0023 Construction of new building and batching plant Approved
IDO46117 Extension to sand quarry and lagoons Approved
14/01381/B creation of settlement pools and associated changes in ground levels in connection with Ballaharra Quarry
WDL/01/2016/V1 Waste Disposal Licence

6. Site Ownership (or my client)

What relationship are you to the site?

The sole owner of the site

If you are not the owner, or own only part of the site, do you know who owns the remainder?

Please provide full details:

Does the owner (or other owners) support your proposal for the site?

Not Answered

7. Proposed Future Uses and Capacity

Use (if mixed use, please tick all that apply)

Mixed Use (which includes a number of different but compatible uses), Other (i.e. proposed use does not easily fall within the above categories)

Basic Information – area/number of units/proposed floorspace/number of pitches:

Surface mineral extraction, building materials manufacture and production, inert waste disposal, microgeneration by anaerobic digestion of decomposable waste.
And other associated operations

8. Market Interest

Please choose the most appropriate category below and indicate what level of market interest there is/has recently been in the site.

None

Please provide any comments:

Site not marketed

9. Infrastructure

Please tell us what infrastructure is available at or near the site

Mains water supply

Yes

Mains sewerage

No

Electrical supply

Yes

Gas supply

No

Public highway

Yes

Telecommunications

Yes

Public Transport

Yes

Other

Please specify :

10. Please provide any details of how any improved or new infrastructure requirements could be provided.

Improved or new infrastructure requirements

Please provide any comments:

increased electricity supply

11. Please explain any issues affecting deliverability

Such as physical constraints, ownerships, conservation areas, flooding issues

Please provide any comments:

ownership boundary.

12. When would the site be available for development?

Please indicate the approximate timescale for availability

Please provide any comments:

As detailed previously

13. Housing

Is the site proposed as a predominantly residential site?

No (go to Section 14)

What type of housing do you envisage the site being suitable for? (e.g. family housing, apartments, older persons housing etc.):

How many dwellings do you consider could be built on the site? (Allow for roads and open space provisions):

The Cabinet Office will take into account the provisions of Housing Policy 5 as set out in the Isle of Man Strategic Plan 2016. Do you consider that this site could have a higher proportion of affordable housing i.e. more than 25%?:

14. Employment

Is the site proposed as an employment site?

Not Answered

Which employment uses do you envisage the proposed site accommodating? Please tick the appropriate boxes (tick as many as apply)

Additional details (if relevant):

The site is already in use and employs staff

15. Mixed Use

Is the site proposed for Mixed Use?

Yes

What mix of uses do you propose on this site?

A proposal site identified for 'Mixed Use' would normally be identified in a development plan as being suitable for a variety of uses which would be compatible with each other and the area generally. Development Briefs may restrict development of 'Mixed Use' Sites to certain uses/types of development if deemed appropriate.:

Mineral extraction, building materials manufacture and production, waste processing and associated and related activities

16. Open Space/Special Use

Is the site proposed for Open Space/ Special Use?

No (go to Section 17)

Please provide any comments:

17. Additional information

Please use this box to provide additional information or further explanations on any of the topics covered in this form

Provide any comments:

Ballaharra is a well established site for surface mineral extraction and processing, building materials production and manufacture and waste disposal. This application seeks to consolidate that in planning

18. Data Protection and Processing

We require your permission to hold your contact details on our database. In signing this form, I agree that the Cabinet Office, Isle of Man Government can hold contact details and related responses and I understand that they will only be used in relation to planning matters.

Please tick this box to confirm your permission, note that submissions that are not ticked will not be accepted.:

Yes
