10. Please provide any details of how any improved or new infrastructure requirements could be provided.

Improved or new infrastructure requirements

Please provide any comments:

Development of the land will be supported by new infrastructure. The proposed land is directly adjacent to existing residential development which is fully serviced.

Development of the site could provide future access to land to the east of the settlement, to secure future growth potential for Peel and provide a link between Ramsey Road and Poortown Road.

11. Please explain any issues affecting deliverability

Such as physical constraints, ownerships, conservation areas, flooding issues

Please provide any comments:

There are no known issues which would affect the deliverability of this site.

12. When would the site be available for development?

Please indicate the approximate timescale for availability

Please provide any comments:

The land is undeveloped and is therefore immediately available for development. The land owner is supportive of development and early delivery is anticipated if the land is zoned for residential development.

13. Housing

Is the site proposed as a predominantly residential site?

Yes

What type of housing do you envisage the site being suitable for? (e.g. family housing, apartments, older persons housing etc.):

Family housing and possibly some older persons housing is anticipated as well as 25% affordable homes.

How many dwellings do you consider could be built on the site? (Allow for roads and open space provisions):

Approximately 50 dwellings.

The Cabinet Office will take into account the provisions of Housing Policy 5 as set out in the Isle of Man Strategic Plan 2016. Do you consider that this site could have a higher proportion of affordable housing i.e. more than 25%?:

No.

14. Employment

Is the site proposed as an employment site?

No (go to Section 15)

Which employment uses do you envisage the proposed site accommodating? Please tick the appropriate boxes (tick as many as apply)

Additional details (if relevant):

15. Mixed Use

Is the site proposed for Mixed Use?

No (go to Section 16)

What mix of uses do you propose on this site?

A proposal site identified for 'Mixed Use' would normally be identified in a development plan as being suitable for a variety of uses which would be compatible with each other and the area generally. Development Briefs may restrict development of 'Mixed Use' Sites to certain uses/types of development if deemed appropriate.:

16. Open Space/Special Use

Is the site proposed for Open Space/ Special Use?

No (go to Section 17)

Please provide any comments:

17. Additional information

Please use this box to provide additional information or further explanations on any of the topics covered in this form

Provide any comments:

The land comprises of undeveloped land which immediately abuts existing residential development. It is considered that the site would provide a logical expansion of the settlement. The site offers the opportunity for a range of properties. The land can be accessed via Ramsey Road (A4). There is an existing footway running along the northern side of Ramsey Road.

The land would provide a sustainable location for new housing as it is within walking distances of local services and facilities in Peel town centre. The site is in close proximity to bus services on Ramsey Road which provide services to Peel, Douglas, Port St Mary, Castletown and Ramsey.

Development of the site provides the opportunity for future access to land to the east of the settlement to secure future growth potential for Peel and provide a link between Ramsey Road and Poortown Road.

It is noted that a separate call for sites submission has been made for land to the north of the site comprising of field 316007 and part of field 314313.
