Dear Mr Johnstone

DONKEY TRACK PUBLIC INQUIRY

Regarding the above track I would like to let you know that I have lived on the Isle of Man since 1970, and spent a lot of time around the north of the Island, its lanes, meadows and roadways. Not at any time in the last 50 years have I been aware that the Donkey Track was being used or existed as a public highway.

A friend of mine once lived in the cottage opposite the track on the Bayr ny Hayrey side in the late 80's / early 1990's. At that time, the track was completely impassible to either vehicles or on foot – which is the way I had remembered it as a child.

Kind regards
