**Summary of key points in report**

- The number of covid positive cases within the Community and admitted to Nobles Hospital has continued to decline during September and Manx Care has stepped down to Level 1 Business Continuity and Escalation.
- The Director of Nursing has undertaken a high-level review of the nurse staffing challenges and flagged to the Quality, Safety and Experience Committee his concern regarding the volatility of staffing levels and a lack of resilience in rotas, which has necessitated interventions to support safer care. Immediate actions to help stabilise nurse staffing levels and skill mix.
- The Theatre Improvement Programme remains on track and RAG rated Green. The Association for Perioperative Practice (AFPP) accreditation audit was held on 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> September. The Culture Workshops have continued through September and planning for Phase 2 of the programme is being finalised between Develop Consulting and the Chief Executive.
- As at 17<sup>th</sup> September 2021, 128,914 Covid-19 vaccinations have been delivered on the Isle of Man, with 97% of those who have been vaccinated receiving both doses.
- Final preparations are underway to start delivering a single vaccination to all 12-15 years, as well as delivering the booster programme for all 50 year olds and above and those in clinically vulnerable or high risk categories, following announcements made early during w/c 13<sup>th</sup> September 2021.
- Following additional 2WW capacity commissioned in Liverpool, Manx Care has been able offer all patient referred an appointment (on Island) within 2 weeks.
