Isle of Man European Union (EU) Settlement Scheme

Statistics Report

Covering 1 April 2019 – 31 January 2022

About the Isle of Man EU Settlement Scheme

The Isle of Man European Union (EU) Settlement Scheme enables EU, European Economic Area (EEA) and Swiss citizens and their families, resident in the Isle of Man, to obtain an immigration status under the Isle of Man Immigration Rules.

The Isle of Man EU Settlement Scheme commenced on 30 March 2019.

The Isle of Man EU Settlement Scheme is set out in Appendix EU to the Isle of Man immigration rules. Those who apply will be granted an immigration status of either **indefinite leave to enter or remain** or **limited leave to enter or remain**.

There is no charge for an application under the Isle of Man EU Settlement Scheme.

30 June 2021 signalled the end of the grace period that allowed EU, EEA and Swiss citizens and their family members who were resident in the Isle of Man before 1 January 2021 to make an application to preserve their right to live, work, study, and access free healthcare and benefits in the Isle of Man and UK after 30 June 2021.

The EU Settlement Scheme has made provision for late applications to be made by EU, EEA and Swiss citizens and their family who can show they have reasonable grounds for missing the deadline.

Non-exhaustive caseworker guidance has been published by the UK Government, which will be followed by the Isle of Man. It sets out a wide range of circumstances, which would constitute reasonable grounds, including, but not limited to, the following:

- where a parent, guardian or Local Authority has failed to apply on behalf of a child
- where a person has or had a serious medical condition, which meant they were unable to apply by the relevant deadline
- where someone is a victim of modern slavery or is in an abusive relationship
- where someone is isolated, vulnerable or did not have the digital skills to access the application process
- where a person was unable to apply by the relevant deadline for compelling practical or compassionate reasons – including in light of the coronavirus pandemic

More information on making a late application can be found on the [UK Government website](#).
