

Consent Form for children aged 5 - 11 years

Comirnaty® COVID-19 mRNA vaccine (10 micrograms)

The COVID-19 vaccine is being offered to your child. Your child will receive their first COVID-19 vaccine and you may be notified about the second dose later. The leaflet sent with this form includes more information about the vaccines currently in use. Please discuss the vaccination with your child, then complete this form before it is due. Information about the vaccinations will be put on your child's health records.

Child's full name (first name and surname):
Home address:
NHS Number (if known)
GP Name and address

Date of Birth:	Age:	Ethnicity:
Daytime contact telephone number for parent or carer:		
Gender:		
<input type="checkbox"/> Male	<input type="checkbox"/> Female	<input type="checkbox"/> Prefer not to say

Consent for COVID-19 Vaccinations

I want my child to receive the full course of COVID-19 Vaccinations	
Parent / Carer Name (Legal Guardian):	
Relationship to child:	
Signature:	Date:

I DO NOT want my child to receive the full course of COVID-19 Vaccinations	
Parent / Carer Name (Legal Guardian):	
Relationship to child:

PRE-ASSESSMENT QUESTIONNAIRE

Protecting the staff: if they answer YES to the questions below please advise the parent/carer and child to go straight home and follow current government guidance.

Does your child have any symptoms of COVID-19? These may include:

• New continuous cough?	Yes	No
• Loss of taste and/or smell?	Yes	No
• A fever?	Yes	No
• New shortness of breath?	Yes	No
Are they waiting for a COVID-19 test?	Yes	No

If you have answered yes to any of the above questions, you and your child should immediately go home, self-isolate and phone 111 for a COVID-19 test.

If they answer **YES** to the next group of questions please inform the clinical staff as **THEY WILL NOT** be able to have the vaccination today.

Has your child had a previous systemic allergic reaction (including immediate onset anaphylaxis) to a previous dose of Comirnaty® COVID-19 mRNA vaccine or to any component of the vaccine or residues from the manufacturing process? <i>(Refer to Product Information Leaflet for a full list of the ingredients)</i> <i>(Refer to guidance in Green Book Chapter 14a for administration of a subsequent dose if allergic reaction to first dose.)</i>	Yes	No
--	-----	----

Is your child 12 years old? <i>(If so, your child must have previously received a dose of the Comirnaty 10 mg vaccine)</i>	Yes	No
---	-----	----

Does your child have a history of: • <i>immediate anaphylaxis to multiple, different drug classes, with the trigger unidentified (this may indicate Poly Ethylene Glycol (PEG) allergy);</i> • <i>anaphylaxis to a vaccine, injected antibody preparation or a medicine likely to contain PEG (such as depot steroid injection, laxative); or</i> • <i>idiopathic anaphylaxis?</i>	Yes	No
---	-----	----

Has your child experienced myocarditis or pericarditis determined as likely to be related to a previous dose of this vaccine?	Yes	No
---	-----	----

Is your child suffering from a high temperature or fever? <i>[Patients suffering from acute severe febrile illness are excluded under the PGD, the presence of a minor infection is not a contraindication for vaccination]</i>	Yes	No
--	-----	----

Has your child received a dose of COVID-19 vaccine within the last 21 days?	Yes	No
---	-----	----

Has your child already completed a full course of COVID -19 vaccination?	Yes	No
--	-----	----

Has your child had Covid -19 or tested positive for Covid -19 in the last 12 weeks? <i>(If your child is in an 'at risk' priority group (PG 21 or PG 22) this time period is reduced to 28 days)</i>	Yes	No
---	-----	----

The following questions relate to cautions in relation to the COVID-19 mRNA vaccine.

If you have questions please read the information leaflet or discuss with the clinical staff.

Does your child have a condition or receive treatment that severely affects their immune system?	Yes	No
--	-----	----

Does your child have a bleeding disorder?	Yes	No
---	-----	----

Are they taking any blood thinners?	Yes	No
-------------------------------------	-----	----

Are they participating in a clinical trial of COVID -19 vaccines? <i>(To be referred back to trial investigators for approval before vaccinating)</i>	Yes	No
--	-----	----

Is your child feeling unwell today?	Yes	No
-------------------------------------	-----	----

If you have answered YES to any of the questions above you **MUST** speak to a Healthcare Practitioner for further advice.

I can confirm that I have received and read a copy of the Patient Information Leaflet (PIL).	Yes
