SCHEDULES

SCHEDULE 1

Regulations 7(3) and 16(8)

Rules for interpretation of regulations 7(2) and 16(7)

Application of Schedule

1. (1) The rules set out in the following paragraphs of this Schedule apply for the purpose of interpreting regulations 7(2) and 16(7).

(2) They also apply for the purpose of interpreting this Schedule.

Joint interests

2. If two or more persons each hold a share or right jointly, each of them is treated as holding that share or right.

Joint arrangements

3. (1) If shares or rights held by a person and shares or rights held by another person are the subject of a joint arrangement between those persons, each of them is treated as holding the combined shares or rights of both of them.

(2) A “joint arrangement” is an arrangement between the holders of shares or rights that they will exercise all or substantially all the rights conferred by their respective shares or rights jointly in a way that is pre-determined by the arrangement.

(3) “Arrangement” has the meaning given by paragraph 12.

Calculating shareholdings

4. (1) In relation to a person who has a share capital, a reference to holding “more than 50% of the shares” in that person is to holding shares comprised in the issued share capital of that person of a nominal value exceeding (in aggregate) 50% of that share capital.
- (2) In relation to a person who does not have a share capital—
 - (a) a reference to holding shares in that person is to holding a right or rights to share in the capital or, as the case may be, profits of that person;
 - (b) a reference to holding “more than 50% of the shares” in that person is to holding a right or rights to share in more than 50% of the capital or, as the case may be, profits of that person.

Voting rights

5. (1) A reference to the voting rights in a person is to the rights conferred on shareholders in respect of their shares (or, in the case of a person not having a share capital, on members) to vote at general meetings of the person on all or substantially all matters.
 - (2) In relation to a person that does not have general meetings at which matters are decided by the exercise of voting rights—
 - (a) a reference to holding voting rights in the person is to be read as a reference to holding rights in relation to the person that are equivalent to those of a person entitled to exercise voting rights in a company;
 - (b) a reference to holding “more than 50% of the voting rights” in the person is to be read as a reference to holding the right under the constitution of the person to block changes to the overall policy of the person or to the terms of its constitution.
6. In applying regulations 7(2) and 16(7) and this Schedule, the voting rights in a person are to be reduced by any rights held by the person itself.

Rights to appoint or remove members of the board

7. A reference to the right to appoint or remove a majority of the board of directors of a person is to the right to appoint or remove directors holding a majority of the voting rights at meetings of the board on all or substantially all matters.
8. A reference to a board of directors, in the case of a person who does not have such a board, is to be read as a reference to the equivalent management body of that person.

Shares or rights held “indirectly”

9. (1) A person holds a share “indirectly” if the person has a majority stake in another person and that other person—
 - (a) holds the share in question, or

 - (i) each of whom (other than the last) has a majority stake in the person immediately below it in the chain, and

(a) holds that right, or

(b) is part of a chain of persons—

(i) each of whom (other than the last) has a majority stake in the person immediately below it in the chain, and

(ii) the last of whom holds that right.

(3) For these purposes, a person ("A") has a "majority stake" in another person ("B") if—

(a) A holds a majority of the voting rights in B,

(b) A is a member of B and has the right to appoint or remove a majority of the board of directors of B,

(c) A is a member of B and controls alone, pursuant to an agreement with other shareholders or members, a majority of the voting rights in B, or

(d) A has the right to exercise, or actually exercises, dominant influence or control over B.

(4) In the application of this paragraph to the right to appoint or remove a majority of the board of directors, a person ("A") is to be treated as having the right to appoint a director if—

(a) any person's appointment as director follows necessarily from that person's appointment as director of A, or

(b) the directorship is held by A itself.

Shares held by nominees

10. A share held by a person as nominee for another is to be treated as held by the other (and not by the nominee).

Rights treated as held by person who controls their exercise

11. (1) Where a person controls a right, the right is to be treated as held by that person (and not by the person who in fact holds the right, unless that person also controls it).

(2) A person "controls" a right if, by virtue of any arrangement between that person and others, the right is exercisable only—

(a) by that person,

(b) in accordance with that person's directions or instructions, or

(c) with that person's consent or concurrence.

12. "Arrangement" includes—

- (a) any scheme, agreement or understanding, whether or not it is legally enforceable, and
- (b) any convention, custom or practice of any kind.

Rights exercisable only in certain circumstances etc.

13. (1) Rights that are exercisable only in certain circumstances are to be taken into account only—

- (a) when the circumstances have arisen, and for so long as they continue to obtain, or
- (b) when the circumstances are within the control of the person having the rights.

~~(2) But rights that are exercisable by an administrator or by creditors while a person is subject to relevant insolvency proceedings are not to be taken into account while the person is subject to those proceedings.~~

~~(3) "Relevant insolvency proceedings" means—~~

- ~~(a) administration within the meaning of the Insolvency Act 1986~~
- ~~(b) administration within the meaning of the Insolvency (Northern Ireland) Order 1989, or~~

(4) Rights that are normally exercisable but are temporarily incapable of exercise are to continue to be taken into account.

Rights attached to shares held by way of security

14. Rights attached to shares held by way of security provided by a person are to be treated for the purposes of this Schedule as held by that person—

- (a) where apart from the right to exercise them for the purpose of preserving the value of the security, or of realising it, the rights are exercisable only in accordance with that person's instructions, and
- (b) where the shares are held in connection with the granting of loans as part of normal business activities and apart from the right to exercise them for the purpose of preserving the value of the security, or of realising it, the rights are exercisable only in that person's interests.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made under the Sanctions and Anti-Money Laundering Act 2018 (c.13) to establish a sanctions regime under that Act in relation to Russia. These Regulations are made for the purpose of encouraging Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. Following the UK's withdrawal from the European Union, these Regulations will replace the EU sanctions regimes in relation to Russia. The EU sanctions regimes are currently implemented via EU Council Decisions and Regulations.

The Regulations confer a power on the Secretary of State to designate persons who are, or have been, involved in destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. Designated persons may be excluded from the United Kingdom and may be made subject to financial sanctions, including having their funds or economic resources frozen.

These Regulations also impose restrictions on trade in military goods and technology, on certain dual-use and energy-related items, and impose restrictions on supplying infrastructure-related goods and technology to Crimea and on importing goods from Crimea. These Regulations also restrict the provision of services related to the trade in those items. The Regulations also restrict persons from

dealing with certain financial instruments, restrict the provision of finance and funds, and restrict investment in relation to Crimea.

The Regulations provide for certain exceptions to this sanctions regime, including in relation to financial sanctions (for example to allow for frozen accounts to be credited with interest or other earnings), trade sanctions and also acts done for the purpose of national security or the prevention of serious crime. The Regulations also confer powers on the Secretary of State and the Treasury to issue licences in respect of activities that would otherwise be prohibited under the financial and trade sanctions imposed. Schedule 5 of these Regulations sets out the purposes pursuant to which the Treasury will issue such licences.

The Regulations make it a criminal offence to contravene, or circumvent, any of the prohibitions in these Regulations and prescribe the mode of trial and penalties that apply to such offences. The Regulations also confer powers on specified maritime enforcement officers to stop and search ships in international and foreign waters for the purpose of enforcing specified trade sanctions and to seize goods found on board ships which are being, or have been, dealt with in contravention, or deemed contravention, of those prohibitions. The Regulations prescribe powers for the provision and sharing of information to enable the effective implementation and enforcement of the sanctions regime.

The Regulations revoke the relevant EU Regulations relating to the existing EU Russia sanctions regimes, in so far as those Regulations would have had effect in the UK after exit day. The Regulations also revoke existing UK trade and financial sanctions regulations relating to the existing EU Russia sanctions regimes.
