Critical Thinking

Do you believe everything you read? Is there truth behind the headlines? Why does false information spread so fast on social media? What can you do to make sure you don't get taken in? Start by looking up the stories on websites such as the ones below:

Full fact <https://fullfact.org/>

Ferret Fact Service
<https://theferret.scot/ferret-fact-service/>

BBC Reality Check
https://www.bbc.co.uk/news/reality_check

Misinformation

Do you keep a look out for misinformation circulating online? Do you know the impact it could have on patients? How do you counter it?

LIBRARY "BITS AND PIECES"

The above current awareness bulletin has been produced by Keyll Darree Library and Information Service. We aim to produce the bulletin every week. If you need any help locating or accessing any of the items included in this issue, please contact the library staff on 642993/642974.

As usual, we welcome any feedback, so please let us know if you have any comments about format, content, length, arrangement or indeed, any other observations. If you know of anyone else who might like to receive the bulletin, or you would like your name removed from the distribution list, again, please let us know.

Check out our library website at www.librarykeylldarree.gov.im for details of all our services, facilities and any forthcoming events.

[The Development and Evaluation of an e-Learning Course That Promotes Digital Health Literacy in School-age Children: Pre-Post Measurement Study](#)
