SO HPE ProLiant DL360 Gen10 Plus 8SFF Server Ref: GTS/RFQ/1021

3rd August 2022

The Isle of Man Government invites quotes from suppliers to provide HPE servers and storage as detailed in the Quote Documents to Government Technology Services, Cabinet Office.

NOTE: It is essential that all hardware be sourced via official HPE supply chains and be fully supported by HPE. We will consider quotes for both configure-to-order (factory built) and build-to-order (supplier built) where lead times significantly differ. Please indicate which kind of build is quoted with expected lead time. Part numbers are provided to indicate desired specification – substitutions of the same or higher specification will also be considered where components are in short supply.

In order to participate in this competitive exercise, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please visit <https://in-tendhost.co.uk/iomg/asp/Home> and select 'Register' from the menu on the left side of the Home Page.

Once you have registered your organisation you should select this Quick Quote from the list of 'Current Tenders' and 'View Details' then click 'Express an Interest' at the bottom of the page. Once you have expressed an interest a new tab called 'Quote Documents' will become available where you can download all the necessary information. If you choose to proceed, please select 'Opt In' and a new section will appear for you to upload your completed return documents.

If you decide not to proceed please click 'Opt Out' and select a reason for not proceeding.

Should you have any difficulty in using the website or registering your interest in this way, please e-mail procurement@gov.im

The Quote will remain available on the Portal for Expressions of Interest until **noon (12.00) pm on Wednesday 10th August 2022.**

Quote Returns must be submitted through the above Portal by **noon (12.00) pm on Wednesday 17th August 2022**
