## Records of Ramsey Town Commissioners: Board and Committee minutes

5 Sep 1865-21 Oct 1998

**Accession number:** A226, A287, A290, A291, A296

**Extent:** 129 volumes

**Creator:** Ramsey Town Commissioners, 1865-present

**Description of series:** This series comprises the official, signed minutes of meetings held by Ramsey Town Commissioners to document their decision making in respect of the delivery of local authority functions within their area of jurisdiction.

The series includes 3 types of minutes, namely:

- Ramsey Town Commissioners: Board minutes;
- Ramsey Town Commissioners: Committee minutes;
- Ramsey Town Commissioners: Board and Committee Minutes.

**Administrative History:** Elective local government in the Isle of Man can be traced back to the Town Act 1852, under which Boards of Commissioners, each under the chairmanship of a High Bailiff, were constituted for the four towns – "for paving, cleansing, lighting, and watching the streets.... And for making and keeping in repair public sewers therein, and otherwise improving the towns".

The Ramsey Town Act 1865 repealed the earlier Act in respect to Ramsey and provisioned for the setting-up of the Ramsey Town Commissioners in their current form.

### **Custodial History:**

## Records of Ramsey Town Commissioners: Rates Books

1865-1956

**Accession number:** A254

**Extent:** 90 volumes

**Creator:** Ramsey Town Commissioners 1865-present

**Description of series:**

This series comprises of the following:

- rates books
- agricultural rates book

The way in which information was recorded in the rates books has changed over time. Rates volumes typically capture the following information:

- property number
- occupier
- owner
- description of property
- net annual value
- rateable value (£:S:d)
- notes on arrears, total rates due, when paid and - where applicable - discounts given

**Administrative History:** Elective local government in the Isle of Man can be traced back to the Town Act 1852, under which boards of commissioners, each under the chairmanship of a High Bailiff, were constituted for the four towns – *"for paving, cleansing, lighting, and watching the streets... And for making and keeping in repair public sewers therein, and otherwise improving the towns"*.

The Ramsey Town Act 1865 repealed the earlier Act in respect to Ramsey and provided for the setting-up of the Ramsey Town Commissioners in their current form.

# Isle of Man Public Record Office

**Custodial History:** The records comprising this accession were created by Ramsey Town Commissioners. Prior to their deposit the records were stored in the attic at Ramsey Town Hall, Parliament Square, Ramsey until their transfer to the Isle of Man Public Record Office under section 3(4) of the Public Records Act 1999 on the authority of Timothy Cowin, Town Clerk, 16 Sep 2022.

**Appraisal:** Records selected for permanent preservation by Gavin Rowan, Records & Archive Officers, 16 Sep 2022.

**Accruals:** Accruals are not expected for this sequence as the collecting remit of Local Authorities were transferred to Central Government (Isle of Man Assessment Board) in the late 1950s under provision set-out in the 1953 Act. Local Authority rates - with the exception of Braddan, Douglas and Onchan - are now collected by the Isle of Man Treasury who took on the assessment remit of the Isle of Man Assessment Board in 1985/6.

**Arrangement of series:** This series is arranged into two sub-series, namely:

S137/1 - Ramsey Town Commissioners: Rates books

S137/2 - Ramsey Town Commissioners: Agricultural Rates Book

**Access Status:** Open

**Physical description:** Rates Books from 1865-1886 are in poor condition and should be handled with care. Please note that appropriate book rest supports should be used when serving these records.

**Copyright:** Vested in Ramsey Town Commissioners

**Archivist Note:** Series level description created by Gavin Rowan, Records & Archive Officer, 17 Oct 2022.

## Records of Ramsey Town Commissioners: Original Specification and Tender for Swing Bridge

13 Jul 1888

**Accession number:** A226

**Extent:** 1 volume

**Creator:** Ramsey Town Commissioners, 1865-present

**Description of series:**

1 handwritten volume comprising the original specification and tender documents for the development of Ramsey Swing Bridge.

**Administrative History:**

Elective local government in the Isle of Man can be traced back to the Town Act 1852, under which Boards of Commissioners, each under the chairmanship of a High Bailiff, were constituted for the four towns – *"for paving, cleansing, lighting, and watching the streets.... And for making and keeping in repair public sewers therein, and otherwise improving the towns"*. The Ramsey Town Act 1865 repealed the earlier Act in respect to Ramsey and provisioned for the setting-up of the Ramsey Town Commissioners in their current form.

The Ramsey swing bridge formed part of wider late 19th century developments of the Ramsey townscape including the laying out of the Mooragh Estate, park and lake. The works for the proposed bridge went out to tender in 1888. The building works were undertaken by the Cleveland Bridge & Engineering Company, Darlington, England. The bridge was virtually complete by March 1892 and fully operational by May of that same year. The bridge was formally opened in June 1892. The bridge has been maintained as a vital public amenity for the people of Ramsey ever since.

**Custodial History:**

The records comprising this collection were created by Ramsey Town Commissioners. During their working life, the records were stored in the Clerk's office at Ramsey Town Hall, Parliament Square, Ramsey until their deposit at the Isle of Man Public Record Office under section 3(4) of the Public Records Act 1999 on the authority of Timothy Cowin, Town Clerk, 27 Apr 2022.
