DEFA are subject to the Freedom of Information Act 2015 and other obligations under law which require us to act transparently and which grant certain rights of access to the public information held by us. This means that whilst we respect the sensitivity of the information you provide, there may be legal requirements which oblige us to disclose this. I acknowledge that the department may publish holding information citing incidence of BVD on the Island as its discretion. Results data may also be published/uploaded to www.qov.im as part of ongoing progress communication.
