

## **INVITATION TO TENDER**

### **SPILLWAY REPAIRS CRINGLE RESERVIOR**

The Manx Utilities Authority is a statutory authority providing electricity, wholesale natural gas and clean water and processes waste water on the Isle of Man. This means that Manx Utilities is a wholly owned statutory authority of the Isle of Man Government.

Manx Utilities is taking forward remedial works to the overflow spillway to the Cringle Impounding Reservoir. The scheme involves lining of the sloping portion of the current masonry spillway with a reinforced concrete lining. The works include the entire length of the spillway i.e. from the tumble bay (excluding tumble bay) up to the stilling basin (excluding the stilling basin). Included in this scheme are the provision of longitudinal and cross drainage together with drainage outside the spillway running the full length each side. The works encompass localised raising of the spillway walls at the bend in the spillway.
