Guidance

If you cannot vote at an election in person at a polling station or by post, you can apply for the appointment of a proxy (someone else to vote on your behalf). A person entitled to vote at a local election may do so by proxy if the person has a medical emergency or urgent business necessitating overseas travel; and has applied under section 86 of the Elections (Keys and Local Authorities) Act 2020.

Voting as a proxy

A person may not be appointed proxy to vote on behalf of more than two electors in any local authority unless that person is a spouse, civil partner, parent, grandparent, brother, sister, child or grandchild of each of those electors.

How do I apply for the appointment of a proxy?

- Make sure you complete all sections of the form including your date of birth and signature.
- Return your form as soon as possible to the address shown on the front page.

Please note: your application must arrive at the Electoral Registration Unit before 5pm on 17 April 2024

What happens after I return this form?

- Your proxy will be sent a proxy letter, telling them where and when to vote on your behalf. This will be required as evidence of appointment of proxy at the polling station. You will also receive a letter confirming their appointment as proxy.
- You should let your proxy know how you want them to vote on your behalf.
- Your proxy must go to your allotted polling station as shown on your poll card to vote.
- The Presiding Officer at the polling station may require the proxy to furnish such satisfactory evidence to prove their identity prior to casting a proxy vote.
- If you are able to go to the polling station on polling day, you can vote in person as long as your proxy has not already done so and has not applied to vote for you in advance.
