Continued over page.

- passport number;
- issue date;
- expiry date; and,
- place of issue.

Where you need more space than is available you should photocopy the relevant page of the application form, add in additional details and submit with your application.

Where you hold, or have held, other nationalities you should provide the relevant passport or travel document for each nationality held and provide the above details.

Please note for the application to be valid and complete your current passport, travel document or Biometric Residence Permit must be provided unless it is not available for one of the reasons specified on the application form. They should be original documents and not copies.

In certain circumstances certified photocopies will be accepted where you do not have the original at that time. You must provide details as to its location and state when you will provide it. You must then ensure that the original document is submitted as soon as you can. If the passport has been lost or stolen a Police crime report number / report must be provided along with details of the police station the loss was reported to and the date that it was reported.

3.3 'Overstaying' means that you have remained in the Isle of Man, UK or Channel Islands beyond the latest of:
