

## **NOTICE TO MARINERS**

### **No. 7 of 2024**

#### **Operation of Douglas Road Bridge during maintenance**

The Harbours Division of the Department of Infrastructure wishes to advise mariners that between Monday 6<sup>th</sup> May and Friday 10<sup>th</sup> May 2024, Douglas Road Bridge will have maintenance work being carried out on the road barriers and the CCTV system between the hours of 2000hrs and 0200hrs each night.

This will not prevent the lifting of the bridge but will delay the operations of the bridge while maintenance work is temporarily suspended for the lift. This may be facilitated by set lift bridge times but this will be arranged by the Marine Operations Centre by request.

The Road Closure Order is in place for the duration of the works up to the 10<sup>th</sup> May.

All other Notices issued prior to this date are considered cancelled or promulgated sufficiently.
