

PUBLIC NOTICE

The Fireworks Act 2004

NOTICE OF FIREWORK DISPLAY

Notice is hereby given that _____ (*name of the person or organisation notifying the Department*) will be holding a private/public fireworks display at

_____ (*location*) between _____ and _____ (*times*) on _____ (*date**). All owners of domestic pets in the area are reminded that animals might become distressed by fireworks.

*If, due to inclement weather, the display is postponed it may be held between _____ and _____ (*times*) on _____ (*date**).

This notice has been issued under section 4(1)(b) of the Fireworks Act 2004.

EXPLANATORY NOTES

This notice must be published and circulated in a newspaper on the Island not later than 10 days before the fireworks are to be let off.

The recommended size for the Public Notice is 6 cm x 2 col (5.8 cm) which will cost approx £50.00 at Isle of Man Newspapers.

The precise location of where the firework(s) will be let off must be stated in the notice.

The notice is only valid for the date stated on it. If due to inclement weather the event is postponed then it may be held on the second date notified for that purpose.

If you are holding a public display you are invited to include such wording as you require along the lines of 'all are warmly welcomed'.
