- (d) require the food business operator to take those measures, or measures which are at least equivalent to them, within such period (not being less than 14 days) as may be specified in the notice.

(2) Any person who fails to comply with a hygiene improvement notice shall be guilty of an offence.

7. Hygiene prohibition orders

(1) If —

- (a) a food business operator is convicted of an offence under these Regulations; and
- (b) the court by or before which he or she is so convicted is satisfied that the health risk condition is fulfilled with respect to the food business concerned,

the court shall by an order impose the appropriate prohibition.

(2) The health risk condition is fulfilled with respect to any food business if any of the following involves risk of injury to health (including any impairment, whether permanent or temporary), namely —

- (a) the use for the purposes of the business of any process or treatment;
 - (b) the construction of any premises used for the purposes of the business, or the use for those purposes of any equipment; and
 - (c) the state or condition of any premises or equipment used for the purposes of the business.
- (3) The appropriate prohibition is —
- (a) in a case falling within sub-paragraph (a) of paragraph (2), a prohibition on the use of the process or treatment for the purposes of the business;
 - (b) in a case falling within sub-paragraph (b) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of the business or any other food business of the same class or description; and
 - (c) in a case falling within sub-paragraph (c) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of any food business.

- (4) If —
 - (a) a food business operator is convicted of an offence under these Regulations; and
 - (b) the court by or before which he or she is so convicted thinks it proper to do so in all the circumstances of the case,

the court may, by an order, impose a prohibition on the food business operator participating in the management of any food business, or any food business of a class or description specified in the order.

(5) As soon as practicable after the making of an order under paragraph (1) or (4) (in these Regulations referred to as a “hygiene prohibition order”), the Department shall —

and any person who knowingly contravenes such an order shall be guilty of an offence.

(6) A hygiene prohibition order shall cease to have effect —

- (a) in the case of an order made under paragraph (1), on the issue by the Department of a certificate to the effect that they are satisfied that the food business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the food business; and
- (b) in the case of an order made under paragraph (4), on the giving by the court of a direction to that effect.

(7) The Department shall issue a certificate under sub-paragraph (a) of paragraph (6) within three days of their being satisfied as mentioned in that sub-paragraph; and on an application by the food business operator for such a certificate, the Department shall —

- (a) determine, as soon as is reasonably practicable and in any event within 14 days, whether or not they are so satisfied; and
- (b) if they determine that they are not so satisfied, give notice to the food business operator of the reasons for that determination.

(8) The court shall give a direction under sub-paragraph (b) of paragraph (6) if, on an application by the food business operator, the court thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the food business operator since the making of the order; but no such application shall be entertained if it is made —

(9) Where a court of summary jurisdiction makes an order under paragraph (2) of regulation 8 with respect to any food business, paragraph (1) shall apply as if the food business operator had been convicted by the court of an offence under the Hygiene Regulations.

(10) Where the commission of an offence by a food business operator leads to the conviction of another person pursuant to regulation 10, paragraph (4) shall apply in relation to

that other person as it applies in relation to the food business operator and any reference in paragraph (5) or (8) to the food business operator shall be construed accordingly.

8. Hygiene emergency prohibition notices and orders

- (b) if such an application is so made, on the determination or abandonment of the application.

(8) A hygiene emergency prohibition notice or a hygiene emergency prohibition order shall cease to have effect on the issue by the Department of a certificate to the effect that they are satisfied that the food business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the food business.

(9) The Department shall issue a certificate under paragraph (8) within three days of their being satisfied as mentioned in that paragraph; and on an application by the food business operator for such a certificate, the Department shall —

- (b) if they determine that they are not so satisfied, give notice to the food business operator of the reasons for that determination.

(10) Where a hygiene emergency prohibition notice is served on a food business operator, the Department shall compensate that operator in respect of any loss suffered by reason of compliance with the notice unless —

- (a) an application for a hygiene emergency prohibition order is made within the period of three days beginning with the service of the notice; and
- (b) the court declares itself satisfied, on the hearing of the application, that the health risk condition was fulfilled with respect to the food business at the time when the notice was served,

(5) An authorised officer of the Department may, at an establishment subject to approval under Article 4(2) of Regulation 853/2004, by a notice in writing (in this regulation referred to as a “detention notice”) served on the relevant food business operator or that operator’s duly authorised representative require the detention of any animal or food for the purpose of examination (including the taking of samples).

(7) Any person who fails to comply with a remedial action notice or a detention notice shall be guilty of an offence.

10. Offences due to fault of another person

Where the commission by any person of an offence under these Regulations is due to the act or default of some other person, that other person shall be guilty of the offence; and a person may be convicted of the offence by virtue of this regulation whether or not proceedings are taken against the first-mentioned person.

11. Defence of due diligence

(1) In any proceedings for an offence under these Regulations, it shall, subject to paragraph (2), be a defence for the accused to prove that he or she took all reasonable precautions and exercised all due diligence to avoid the commission of the offence by him or herself or by a person under his or her control.

(2) If in any case the defence provided by paragraph (1) involves the allegation that the commission of the offence was due to an act or default of another person, or to reliance on information supplied by another person, the accused shall not, without leave of the court, be entitled to rely on that defence unless —

- (a) at least seven clear days before the hearing; and
- (b) where the accused has previously appeared before a court in connection with the alleged offence, within one month of his first such appearance,
