EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations make further provision under Part 2 of the Public Health (Tobacco) Act 2006 (“the Act”) in relation to the prohibition of smoking in certain wholly or substantially enclosed premises.

Regulation 1 contains the citation, commencement and interpretation provisions to be applied to the Regulations, and gives the time and date on which they will come into force.

Regulation 2 contains requirements for no-smoking notices in no-smoking premises that are not a vehicle. Paragraphs (2) and (3) require a no-smoking notice which consists of the no-smoking symbol and words which state that it is an offence to smoke in the premises. That a no-smoking notice is required at all entrances to no-smoking premises except those at which the no-smoking symbol alone may be displayed under paragraphs (4) and (5). The exception applies to entrances to no-smoking premises from other no-smoking premises and to secondary entrances to no-smoking premises which are used only by persons who work in them. The words “no-smoking symbol” are defined in regulation 1(2).

Regulation 3 contains requirements for no-smoking notices in vehicles that are specified in paragraphs 22 or 23 of Schedule 1. Under paragraph (1) any person with management responsibilities for a no-smoking vehicle must display a no-smoking notice in each compartment of his vehicle. Paragraph (2) defines “compartment” to include each part of a vehicle used to accommodate persons which has a roof and “roof” to include retractable roofs, except for fully stowed retractable roofs on vehicles which are engaged in conveying people.

Regulation 4(1) gives effect to Schedule 1 to the Regulations, which sets out the premises or classes of premises which are prescribed under section 20(2) of the Act to be no-smoking premises for the purposes of Part 2 of the Act, being premises or classes of premises which are wholly or substantially enclosed.

Regulation 4(2) gives effect to Schedule 2 to the Regulations, which sets out the premises or parts of premises or classes of premises or parts of premises which are prescribed under section 20(2) of the Act to be excluded from the definition of “no-smoking premises” in accordance with section 20(3) of the Act, that is those which are excluded from the list of “no-smoking premises” in Schedule 1 to the Regulations.

Regulation 4(3) defines and elaborates the meaning of certain expressions (“premises”; “wholly enclosed”; “substantially enclosed”; and “has access”).

Regulation 5 details the penalty for contravention of regulations 2 and 3.

Regulation 6 provides for the enforcement of the Regulations by the Department of Local Government and the Environment.
