Article 4

RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting Party" means:
- a) in the case of Bahrain, a person who is present in Bahrain for a period or periods totalling in the aggregate at least 183 days in the fiscal year concerned, a company or other legal person which is incorporated or has its place of management in Bahrain, the Kingdom of Bahrain, and any political subdivision or local or statutory authority or body thereof; and

This term, however, does not include any person who is liable to tax in that Party in respect only of income from sources in that Party.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting Parties, then his status shall be determined as follows:

- a) he shall be deemed to be a resident only of the Party in which he has a permanent home available to him; if he has a permanent home available to him in both Parties, he shall be deemed to be a resident only of the Party with which his personal and economic relations are closer (centre of vital interests);

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

- c) an office;
- d) a factory;
- e) a workshop;
- f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources;
- g) a refinery;
- h) a sales outlet; and
- i) a warehouse in relation to a person providing storage facilities for others.

3. A building site or construction or installation project constitutes a permanent establishment only if it lasts more than twelve months.

4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

- a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
- b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
- c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
- d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;
- e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;
- f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs a) to e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person, other than an agent of an independent status to whom paragraph 6 applies, is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting Party an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that Party in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting Party merely because it carries on business in that Party through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting Party controls or is controlled by a company which is a resident of the other Contracting Party, or which carries on business in that other Party (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting Party from immovable property

(including income from agriculture or forestry) situated in the other Contracting Party may be taxed in that other Party.

2. The term "immovable property" shall have the meaning which it has under the law of the Contracting Party in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise.

Article 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting Party shall be taxable only in that Party unless the enterprise carries on business in the other Contracting Party through a permanent establishment situated therein. If the enterprise carries on business as

aforesaid, the profits of the enterprise may be taxed in the other Party but only so much of them as are attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting Party carries on business in the other Contracting Party through a permanent establishment situated therein, there shall in each Contracting Party be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the Party in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting Party to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting Party from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8

SHIPPING AND AIR TRANSPORT

1. Profits from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting Party in which the place of effective management of the enterprise is situated.

2. If the place of effective management of a shipping enterprise is aboard a ship, then it shall be deemed to be situated in the Contracting Party in which the home harbour of the ship is situated, or, if there is no such home harbour, in the Contracting Party of which the operator of the ship is a resident.

3. For the purpose of this Article, profits from the operation of ships or aircraft in international traffic shall include in particular:

- a) profits from the leasing of ships or aircraft engaged in international traffic on charter fully equipped, manned and supplied;
- b) profits from the leasing of ships or aircraft on a bare boat charter basis if such leasing activity is an ancillary activity for the enterprise engaged in international traffic;
- c) profits from the leasing of containers (including trailers and related equipment for the transport of containers) if such leasing activity is an ancillary activity for the enterprise engaged in international traffic.

4. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

Article 9

ASSOCIATED ENTERPRISES

1. Where

- a) an enterprise of a Contracting Party participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting Party, or
- b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting Party and an enterprise of the other Contracting Party,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting Party includes in the profits of an enterprise of that Party and taxes accordingly profits on which an enterprise of the other Contracting Party has been charged to tax in that other Party and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Party if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Party shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting Parties shall if necessary consult each other.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting Party to a resident of the other Contracting Party and which are beneficially owned by that resident shall be taxable only in that other Contracting Party.

2. The term "dividends" as used in this Article means income from shares, "jouissance" shares or "jouissance" rights, mining shares, founders' shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the Party of which the company making the distribution is a resident.

3. The provisions of paragraph 1 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting Party, carries on business in the other Contracting Party of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

4. Where a company which is a resident of a Contracting Party derives profits or income from the other Contracting Party, that other Party may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other Party or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other Party, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other Party.

Article 11

1. Income from debt-claims arising in a Contracting Party and which is beneficially owned by a resident of the other Contracting Party shall be taxable only in that other Contracting Party.

Penalty charges for late payment shall not be regarded as income for the purpose of this Article.

3. The provisions of paragraph 1 shall not apply if the beneficial owner of the income, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the income arises through a permanent establishment situated therein and the debt-claim in respect of which the income is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

4. Income from debt-claims shall be deemed to arise in a Contracting Party when the payer is a resident of that Party. Where, however, the person paying the income, whether he is a resident of a Contracting Party or not, has in a Contracting Party a permanent

establishment in connection with which the indebtedness on which the income is paid was incurred, and such income is borne by such permanent establishment, then such income shall be deemed to arise in the Party in which the permanent establishment is situated.

5. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the income, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.

Article 12

ROYALTIES

1. Royalties arising in a Contracting Party and which are beneficially owned by a resident of the other Contracting Party shall be taxable only in that other Contracting Party.

2. 3. The provisions of paragraph 1 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the royalties arise through a permanent establishment situated therein and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.

Article 22

NON-DISCRIMINATION

1. Nationals of a Contracting Party shall not be subjected in the other Contracting Party to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other Party in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting Parties.

2. Stateless persons who are residents of a Contracting Party shall not be subjected in either Contracting Party to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of the Party concerned in the same circumstances, in particular with respect to residence, are or may be subjected.

3. The taxation on a permanent establishment which an enterprise of a Contracting Party has in the other Contracting Party shall not be less favourably levied in that other Party than the taxation levied on enterprises of that other Party carrying on the same activities. This provision shall not be construed as obliging a Contracting Party to grant to

residents of the other Contracting Party any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

4. Except where the provisions of paragraph 1 of Article 9, paragraph 5 of Article 11, or paragraph 4 of Article 12, apply, income from debt-claims, royalties and other disbursements paid by an enterprise of a Contracting Party to a resident of the other Contracting Party shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned Party.

Enterprises of a Contracting Party, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting Party, shall not be subjected in the first-mentioned Party to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned Party are or may be subjected.

6. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

Article 23

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting Parties result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those Parties, present his case to the competent authority of the Contracting Party of which he is a resident or, if his case comes under paragraph 1 of Article 22, to that of the Contracting Party of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting Party, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting Parties.

3. The competent authorities of the Contracting Parties shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting Parties may communicate with each other directly, including through a joint commission consisting of themselves or their

representatives, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

5. Where,

- a) under paragraph 1, a person has presented a case to the competent authority of a Contracting Party on the basis that the actions of one or both of the Contracting Parties have resulted for that person in taxation not in accordance with the provisions of this Agreement, and
- b) the competent authorities are unable to reach an agreement to resolve that case pursuant to paragraph 2 within two years from the presentation of the case to the competent authority of the other Contracting Party,

any unresolved issues arising from the case shall be submitted to arbitration if the person so requests. These unresolved issues shall not, however, be submitted to arbitration if a decision on these issues has already been rendered by a court or administrative tribunal of either Party. Unless a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision, that decision shall be binding on both Contracting Parties and shall be implemented notwithstanding any time limits in the domestic laws of these Parties. The competent authorities of the Contracting Parties shall by mutual agreement settle the mode of application of this paragraph.

Article 24

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting Parties shall exchange such

information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting Parties, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.

2. Any information received under paragraph 1 by a Contracting Party shall be treated as secret in the same manner as information obtained under the domestic laws of that Party and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting Party the obligation:

- a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting Party;
- b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting Party;

c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy.

4. If information is requested by a Contracting Party in accordance with this Article, the other Contracting Party shall use its information gathering measures to obtain the requested information, even though that other Party may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting Party to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting Party to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 25

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.
