

Advice for householders

NEW facilities which have been introduced at this site:

RE-USE AREA

Before placing waste in the banks or bays for recycling or disposal please consider whether the item is suitable for re-use. Our staff will be happy to advise if you are unsure about any particular items or materials. Please note, to avoid congestion there is a time limit of 15 minutes for the use of this area.

BUILDING MATERIALS

Hardcore, stone, old blocks, bricks, tiles, porcelain etc. can be placed in the bays for recycling or re-use as aggregate for building works.

NEW WOOD and **TIMBER**, clean old timber, new bricks, blocks and tiles and window frames and doors in good condition can be placed in the re-use area.

PLASTIC BOTTLE RECYCLING

Bottles should be rinsed with the tops removed and be squashed flat where possible.

Please do not include bottle tops, yoghurt pots, plastic bags, food trays or other plastic items. These are considered as contamination and may result in rejection of the load if present when shipped for recycling.

USE OF THE SITE

All waste must be separated before entering the site

Business or **commercial** waste **cannot be accepted** at this site, please contact us if you have any queries regarding this.

Anyone bringing waste to the site should be prepared to have their waste inspected to ensure that it is permitted household waste and not commercial waste.

The site operates a one way system – please be aware of vehicle movement and people moving large bulky items.

5mph speed limit. Please comply with the speed limit on site.

Children and pets should not be allowed out of vehicles whilst on the site.

Domestic fridges are accepted at a charge of **£14.34** (incl. VAT). Payment by Debit Card **ONLY**.

Please **do not** place **carrier bags/boxes** of materials in the recycling banks.

If you need any assistance or guidance please ask the site staff.

For disposal of hazardous waste including chemicals and asbestos please contact
Waste Management
telephone **686540**
