

## Weather forecast for the Isle of Man

**Issued on Friday, 22 September 2017 at 10:50pm by Ronaldsway Met Office**

- Forecast:** A fairly cloudy night with some low cloud at first, although there may be some clearer skies for a time later in the night. The south to southwest wind will moderate with lowest temperatures of 12 or 13 Celsius.  
The wind will freshen again from the south or southeast in the morning tomorrow and after a bright start to the day cloud will thicken up once more, bringing perhaps some light rain or drizzle from late morning through into the afternoon, and then it will brighten up again toward evening. Temperatures tomorrow: 16 Celsius generally, up to 17 or 18 Celsius in the northwest.
- Outlook:** A cloudy day on Sunday with outbreaks of rain and a fresh east to southeast wind at first, the wind will fall away in the afternoon and the rain should clear by late afternoon or early evening, and with highs of 16 or 17 Celsius.
- Sunrise:** 7:05am Today  
**Sunset:** 7:16pm Today
